No problem, Melissa! ☺ (and I'm removing Jeff Morin from ALL emails tonight, just FYI everyone)

In other words, on this page:

We're hoping to get a more high-res map.

Thanks!

Sorry, I don't speak interwebs language. Does this mean the R8 site will be replacing the HQ site? And how quickly? Would love to get this up and running and publicize it tomorrow.

Dan, I spoke to Harvey and we're good with using an iframe of the public viewer you've got. Harvey would like to follow up after the weekend to work out some hosting and performance issues.

I'll follow this up with a call to your cell to coordinate.
